INDEX

Agrarian program, Communist, China.....	Page 139-140
Agricultural—	
collaboration in the middle east. Afif I. Tannous.....	69-72
commodities—	
Argentina—	
exports, percentages of world total, 1936-40.....	26
trade—	
future prospects.....	32
types of governmental restrictions, purpose.....	25-32
Brazil, loans by Bank of Brazil, 1938-39 to 1944.....	36
Canada, exports, 1935-39, 1944-46.....	20, 21
cooperatives—	
China, encouragement.....	137-138
credit, Brazil, purpose.....	44
development in Ceylon. Malcolm Park.....	81-83
education, China.....	135
export policy, Canada's wartime. Frank Shefrin.....	18-24
exports, Denmark's postwar trade. Karen J. Friedmann.....	45-48
extension, China.....	134-135, 138
improvement, China—	
Government measures.....	133-138
program. Raymond T. Moyer.....	130-140
production—	
Brazil—	
conditions for obtaining loans, Bank of Brazil.....	36-39
credit loans, Bank of State of São Paulo, 1935-44.....	40
merchant credit, method of obtaining.....	43-44
price-support loans.....	44-45
systems of credit, Bank of State of São Paulo.....	39-42
Mexico—	
goals.....	163-164
index, 1910-46.....	106
products—	
Austria, outturn in specified regions.....	53-55
Canada, exports—	
agreements with United Kingdom, 1939-48.....	21, 22, 23, 24
Government control boards.....	18-19
purposes of control.....	19
wartime markets.....	20-21
China—	
marketing methods.....	131
uniform standards adopted.....	137
Denmark—	
exports, volume.....	48
trade outlook.....	47-48
Middle East, kinds produced and exported.....	70
programs, China—	
background.....	130
evaluation.....	138
reform, Mexico, outlook.....	168
regions, Belgium, characteristics and land use.....	90-94
research, programs, China.....	133-134

Agricultural—Continued

trade—	Page
Argentina's foreign policy. Oscar K. Moore.....	25-32
China—	
factors affecting outlook.....	103-104
importance, to United States.....	99
national policies affecting. A. B. Lewis.....	99-104
Mexico, Government policy.....	165-168
Agriculture—	
Austrian. F. S. Straus.....	50-64
Belgium—	
area.....	90
Government policy.....	98
Louise E. Butt.....	90-98
Brazil—	
economic pattern.....	34-36
improvement possibilities.....	15-16
population.....	14
trends. Kenneth Wernimont.....	14-16
Ceylon—	
dry-zone development.....	81-82
physical features.....	81
plans for development by Department of Agriculture.....	82-83
plantation industries.....	81
China, diversity.....	130
Japan, Hokkaido Prefecture.....	121-122
Middle East—	
development, importance.....	70-71
place in rural life.....	70, 71
Truk Islands—	
effect of the war on.....	80-81
Karl J. Pelzer.....	74-81
Apples, Canada, exports 1935-39, 1944-46.....	21
Argentina—	
agricultural commodities—	
exports as percentages of world exports 1936-40.....	26
trade—	
governmental restrictions, types.....	25-32
future prospects.....	32
foreign agricultural-trade policy. Oscar K. Moore.....	25-32
trade—	
corn, Government price regulation.....	26, 27
Institute for Promotion of, purpose and functions.....	31-32
meat, agreements with United Kingdom.....	30-31
oilseeds, Government price regulations.....	26, 29-30
Promotion Corporation, purpose and functions.....	31
wheat, Government price regulations.....	26, 27-29
Austria—	
agricultural production, by regions.....	53-55
agriculture. F. S. Straus.....	50-64
area and population.....	50
climate, variations.....	51
crops, acreage, production, and yield.....	53-55, 60-62
farmers, market dependence for gross income.....	57-58

Austria—Continued	
farms—	Page
labor requirements.....	56
machines, types and number.....	56
number, types, and sizes.....	55-56
fertilizer, plant-nutrient consumption per acre of fertilizable area, 1922-36.....	56, 57
food—	
per capita consumption, with comparisons, 1933-37..	63-64
prewar balance, 1933-38.....	60-63
self-sufficiency, percentage.....	59-60
geographical features and location.....	50-51
land, uses.....	51-53, 54, 55
livestock, kinds raised, number, and use.....	58-59
map—	
reference, with occupation and agricultural zones....	52
showing zones of occupation and land use.....	57
soils, types in different areas.....	51
wine and beer, production and consumption.....	63
Bacon—	
Canada, export agreement with United Kingdom..	22, 23, 24
Denmark, prewar and postwar exports.....	47
Bananas, Mexico—	
disappearance, per capita, 1935-46.....	114
exports, 1935-46.....	108, 112
production.....	108, 110
tax on exports, 1943-45.....	166
trade, control of exports through subsidies.....	167
<i>See also</i> Plantains.	
Beans—	
black, retail prices at Mexico City, 1943-45.....	165
dried, wartime subsidies, Canada.....	119
Mexico—	
acreage, 1935-45.....	107, 163
disappearance, 1925-46.....	109, 114
imports and exports, 1925-46.....	109
map, showing production distribution, 1945.....	110
production.....	106, 107, 109, 163
time of planting and harvesting.....	108
Beef—	
Canada—	
export agreements with United Kingdom.....	22, 23, 24
exports, 1935-39, 1944-46.....	20, 21
cattle, export tax, Mexico, 1943-45.....	166
exports, Denmark, prewar and postwar.....	47
trimmings, retail prices, Mexico City, 1943-45.....	165
Beefsteak, retail prices, Mexico City, 1943-45.....	165
Belgian agriculture. Louise E. Butt.....	90-98
Belgium—	
agricultural regions, purpose and characteristics....	90-93
agriculture—	
area.....	90
Government policy.....	98
climate.....	90
crops—	
acreage, by Provinces, 1936-38.....	93
pattern of land use.....	93-94
fertilizers, types and uses.....	95-96
foodstuffs—	
imports.....	97
production.....	97-98
geographical features.....	90

Belgium—Continued	
livestock—	
industry.....	94-95
numbers, by Provinces, 1936-38.....	94
map, reference.....	91
Berries, Canadian wartime subsidies.....	118
